

HOW TO VIEW FREE MOVIES ONLINE via Beamafilm and your library

You can watch a range of free movies using Beamafilm. It offers library members over 600 quality feature films and documentaries with a focus on Australasian stories to stream and watch on your computer, iPad, tablet, smartphone or smart TV.

How do I start?

1. Firstly, have your library membership card with your number ready.
2. To go to the web site of Corangamite Regional Library Corporation: - www.corangamitelibrary.vic.gov.au or crlc.vic.gov.au
3. You are now at the front page of the library.

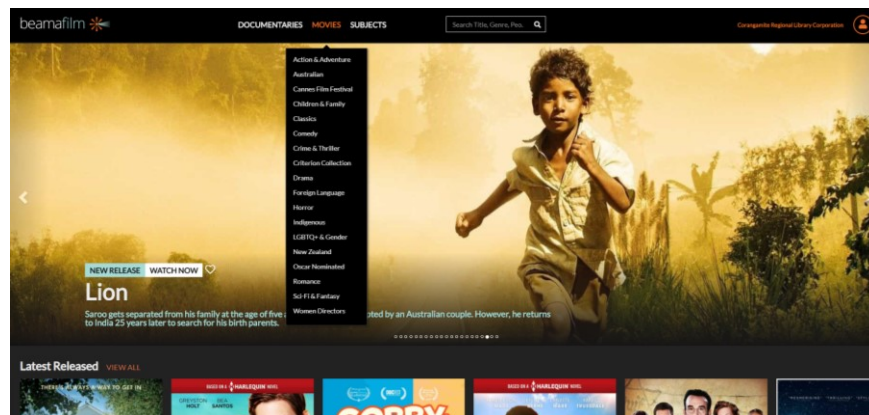

4. Hit the **beamafilm logo** at the top of the page on right.
5. If you are not already signed in it will ask for your Library Card Number. Type it in and hit the Sign Up button – remember this is FREE!
6. If you already have an account – Click that button,

7. . If you do not have a Beamafilm account – enter the details to create one

8. You are now in Beamafilm - you will see at the top of the page heading "beamafilm" with menu options: "**documentaries, movies, subjects**" – *select any of these and see the drop down menu items*

9. If you select **Documentaries** or **Movies** by clicking on the main menu you can filter your selection, including by country or closed captions.

Enjoy these free movies and documentaries! Join our U3A Port Fairy “Art-House In-House” movie club – see our Newsletter for details each month.

Download the APP on your phone, tablet or iPad if you are watching there.
